

SmartPrint™

Mobile Printer

The **SmartPrint™** mobile printer improves customer service by enabling fleet operators to quickly print personalized professional receipts. Drivers will save time and money by:

- Printing cash, credit and account card receipts more efficiently
- Eliminating the cost of credit card supplies
- Printing trip reports

Each receipt contains full trip details such as:

- Fare, extras and tip
- Authorization information
- Date and time
- Vehicle and card identification
- Specific corporate information

Daily driver logs and statistics can also be printed. Duplicate receipt copies for driver and customer are printed automatically.

The **SmartPrint™** printer is compact, quiet and durable. Its thermal technology ensures quiet, fast receipt generation. Loading paper is easy using a simple drop-in load mechanism. SmartPrint™ is fully integrated with Digital Wireless mobile data terminals. Overall, the SmartPrint™ is the most advanced and cost-effective mobile thermal printer available today.
